### Educational Child Care

The YMCA Child Care Center would like to welcome all parents and children. The YMCA provides a variety of services for the working parents of this community. Our program consists of full day/year round care for children 6 weeks thru 5 year olds. We also provide full day/part day summer care for 5-11 years old.

### Philosophy:

Our program is designed to enhance the lives of children and to provide a positive environment for independent growth. All children will be provided with time for learning, planning, investigating and problem solving. Valuable time spent with peers will allow for the development of social skills. Constructive, developmentally appropriate child guidance and management techniques are used at all times. Adults will model values and carefully guide children into making positive decisions. Children's positive character development is built by thought, choice, determination and the encouragement to do their best.

We recognize that every family, both the kids and the parents, have a lot on their plate, so we try to minimize the time commitment while maximizing opportunities for dads to spend quality time with their kids doing fun stuff. Activities include three campouts, ice skating, a pool party, the pinewood derby, and a trip to a Mud Hens game. Contact the YMCA for more information, or email Kallie Allen at [kallen@findlayymca.com](mailto:kallen@findlayymca.com)

### ENGAGE Student Organization

Engage's purpose is to promote service-learning, youth philanthropy and civic engagement. ENGAGE is for those individuals who possess a strong passion and commitment to their community and serving others. Previous service projects the council has participated in are Coats for Christmas, the Zach Morgan Memorial Soccer Tournament, and Coin Wars.

**Do I have to be a member of the YMCA to apply?** Absolutely not. Any resident of Hancock County between Grade 8 and college level who is passionate about service learning are welcome to apply.

**How much of a commitment is the council?** Our expectation is that during ENGAGE meetings and events you are committed to your fellow council members and the service projects the council is involved in.

**Why should I join?** The reasons are endless but at the top of the list are making new friends, meeting new people, serving others, and it looks great on a resume.

#### **Is there a fee for ENGAGE?**

Being involved in the ENGAGE youth council is completely free. The council will develop fundraising events if need be.

### Y-Guides - Ages 5-12

The Y-Guides is a great organization focused on the "dad and kids" relationship. We recognize that every family, both the kids and the parents, have a lot on their plate, so we try to minimize the time commitment while maximizing opportunities for dads to spend quality time with their kids doing fun stuff. The program runs in conjunction with the school year, and consists of activities that include three campouts, ice skating, a pool party, the pinewood derby, and a trip to a Mud Hens game. All of these events are voluntary, but once you experience them, we think you will agree, they are all worth marking your calendar for.
