## TEAMS and ORGANIZATIONS not sponsored by the YMCA

The YMCA will continue to provide use of its facilities to area schools and teams when it does not interfere with membership use. The YMCA reserves the right to limit use at any time so as not to inconvenience its regular membership or conflict with regular YMCA program schedules. The following guidelines have been adopted:

- In the spirit of cooperation, the YMCA will waive all guest fees when acting as host to events, involving Non-YMCA sponsored teams, but court fees of \$20/hour/court will always be charged, regardless of whether members of these teams are YMCA members and regardless of whether the courts are being used on a walk-on or reserved basis.
- Teams or organizations requiring reserved courts for more than one day (for example, team practice sessions) will pay block time rates for all courts to be reserved. Team members who are card-holding members of the Findlay YMCA will NOT be charged an additional guest fee. All non-YMCA members will be required to pay the standard guest pass rates.
- **NOTE: A court fee of \$20 allows play to continue up to 1 hrs. Afterwards, court time will be charged to the member or organization at a rate of \$10 for any part of each consecutive 30 minute period of play.**
