TEAM and ORGANIZATIONAL EVENTS (non-Y sponsored)

The YMCA will continue to provide use of its facilities to area schools and USTA teams when it does not interfere with membership use. The YMCA reserves the right to limit use at any time so as not to inconvenience its regular membership or conflict with regular YMCA schedules. The following guidelines have been adopted:

- In the spirit of the game, the YMCA will waive all guest fees when acting as host to events, involving non-YMCA sponsored teams, but court fees of \$20/hour/per court, regardless of whether any participants are YMCA members. Team and organizational play is not eligible for the YMCA Walk-On feature.
- Teams or organizations reserving courts for multiple days (for example, team practice sessions) will pay permanent court-time rates for all courts reserved. Team members who are card-holding members of the Findlay YMCA will NOT be charged an additional guest fee.
- All non-YMCA members will be required to pay the standard guest fees. A court fee of \$20 allows play to continue up to 1 hrs. Afterwards, court time will be charged to the member or organization at a rate of \$10 for any part of each consecutive 30 minute period of play.
- All reservations & questions must be made through the Tennis Director at (419) 422-9922 or email at bcook@findlayymca.com
