Findlay/Hancock County faces new challenges that create a greater need for the work we do. Fortunately, where some see obstacles, we see opportunities for our members, volunteers staff, and generous donors like you to make a difference. No other organization can impact as many people as powerfully as we do every day. When you donate to the Findlay Family YMCA, you make our area better through programs focused on:

Youth Development: All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development.

Healthy Living: We help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility: With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return.

Every gift makes a difference.

Everyone has a role to play.

Together, we can achieve so much more.

The Y.™ For a better us.
