

THIS IS Y

More Than JUST a Gym

Strengthen Community, one neighborhood at a time.

For Youth Development

School has begun and your Findlay YMCA branches are ready for an active Fall of programming including: youth sport leagues, tennis lessons, group classes, and swimming lessons just to name a few. I encourage you to register for a class or program this fall for you and your children to stay healthy and active. This Fall brings the start of our YMCA Frogs Swim Team, a recreational league that will travel to other local Y's for swim meets.

The Y Teen Engage Leadership program is now beginning its exciting 4th year with our leadership. This program is led by Jerry McNamee helping teens grow skills in philanthropy, civic responsibility and community leadership. We are excited to see what this group will contribute this year!

The new Youth Physical Activity Center at the Downtown Branch is ready to serve your 8-13 children this fall! Take advantage of the programs and opportunity to provide your child with fun and fitness while enjoying the Y as a family.

For Social Responsibility

The Annual Support Campaign, to date we have raised over \$102,000, because of you our impact is continuing to be made in community. Please make your meaningful gift today. Your donation will help kids and families

make the YMCA a part of their lives and to provide impactful programs for all. Thank you to all those who have already made a gift in 2017! Our goal this year is to raise \$110,000 and with your help ... I know we will reach this important goal. Please contact Development Director Jennifer Treece to make a tax deductible gift today.

This summer our YMCA operated and managed the Riverside Aquatic Center for the City of Findlay for the 8th year. Over 24,000 individuals utilized the pools this summer, making it a safe and healthy summer for all.

The YMCA Feed-A-Child program began its 8th school year feeding children with weekend back packs. Our thank you goes out to all the Marathon Petroleum Corporation, our great volunteers, Garner Transportation, Ohio Logistics, Findlay City Schools, West Ohio Food Bank, and the United Way for support as we simply cannot provide this program to children in need without you. To volunteer or support this program contact Amy Johnston - Feed A Child Coordinator.

Please watch for information on the 2nd Annual Great Scot YMCA Jingle Bell Jog 5k on Dec. 16th with proceeds going to the YMCA Endowment to guarantee a strong YMCA future.

For Healthy Living

The Y's new, innovative ACTIV TRAX program - COMMIT TO BE WELL, is ready to become a key part of your work outs at either Y branch. Check out our kiosks for more information in our branch wellness centers and our staff is ready to get you started with a free appointment. This program will change your approach to your individualized workout and help improve your member experience. We are very excited to help improve your wellness and stay fit for life!

God Bless You Always,
Brent Finlay
President and CEO
