Annual Support Campaign - Your Y, Your Year! Everyone deserves a Y experience and we know that operating two incredible branches and a Child Development Center that offer everything one could ever need to do at the Y. We also know some families are just pushed to the limits and need some assistance to help them be a part of the Y and they are most grateful. You ensure no child, adult, teen or family is ever turned away from joining the Y, by providing your

gift to the Y's Annual Support Campaign. Last year we gave out over 500k in support and it will more in 2017, so please join me and our 2017 Campaign Chair's Christian Pedersen and Kerry Kirk as a Chairman's Round table level supporter or whatever your heart feels like contributing as we raise \$110,000 to help our community. Thank you for being a hero for kids today, they are our future.
