Financial Assistance

Did you know that we offer financial assistance?

The Findlay YMCA strives to provide membership and program service to all that desire to participate. The YMCA's Open Doors Program, supported through the Y's Annual Support Campaign and the United Way of Hancock County, provides membership and program scholarships for those in need. Applications are available at the YMCA's front desks. You will need to supply proof of your total family income. Stop by the front desk or call for more information.

Community Impact

The YMCA is a place where you can make new friends, a place where you can choose from a number of activities while having fun. The YMCA is a safe place for all adults, kids and teens to swim, play games, work out and hang out.

Mission

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

AWAY Program

The AWAY program is a national program that entitles YMCA members to limited visits at other YMCA's. Just one more benefit of being a member of the Findlay YMCA. Please contact the Y you plan on visiting while you are out of town for their AWAY policy.

SilverSneakers® through Healthways

The SilverSneakers® Fitness Program is an innovation health, exercise and wellness program helping older adults live healthy, active lifestyles. Get fit, have fun, make friends. The Findlay YMCA is currently enrolling SilverSneakers® participants.
